POINT-WISE CLARIFICATION AND COMPLIANCE TO CBSE

This is with reference to the deficiencies communicated by the Board through SARAS 6.0 Portal. The school has complied with all the observations and the point-wise compliance is as follows for your kind perusal:

Point 1: Land Certificate

The earlier uploaded land certificate was not in the prescribed **Annexure-B format** and did not meet the validity requirement.

Compliance: A fresh **Land Certificate in Annexure-B format**, issued within the prescribed validity period, has now been obtained and uploaded on the SARAS 6.0 Portal.

Point 2: Mathematics Laboratory

The Mathematics Lab was temporarily functional and did not meet SOP requirements.

Compliance: The Maths Lab has now been **upgraded as per CBSE SOPs** with proper layout, storage facilities, learning kits, mathematical models, and display materials. The lab is now a dedicated, fully functional Mathematics Laboratory.

Point 3: Plastic Stools in Laboratories

Plastic stools were placed in laboratories.

Compliance: All plastic stools have been **removed** and replaced with **proper laboratory stools** in all laboratories.

Point 4: CWSN Toilets

The existing toilet was narrow and not suitable for CWSN use.

Compliance: Separate, **spacious CWSN toilets for Boys and Girls** have been newly constructed as per **Circular No. 11/2024 dated 09.08.2024** and **RPwD Act, 2016**, with:

- Adequate space for wheelchair movement
- Fixed and movable handrails on both sides
- Proper permanent signage

Point 5: Ramp Gradient

The earlier ramp was steep and not as per SOPs.

Compliance: A new ramp with appropriate gradient has been constructed (for ground floor) as per RPwD Act, 2016, with handrails on both sides.

Point 6: Sexual Harassment Committee

The name of the committee was not mentioned.

Compliance: The committee has now been formally named as the "Sexual Harassment Committee" and the complete details have been updated.

Point 7: Video Evidence and Documentation

Compliance:

- A YouTube video link covering all upgraded infrastructure has been uploaded.
- Point-wise clarification along with supporting documents on school letterhead has been submitted on the SARAS 6.0 Portal.

The school assures the Board that all infrastructure and statutory requirements are being continuously maintained as per CBSE norms.

We humbly request you to kindly consider the above compliance and oblige.

Thanking you.
